Re: Price Adjustments

Dear Chairman and Members of the Board:

As part of our commitment to provide our customers with the very best entertainment and communications experience, we continue to invest in making our services even better. These investments make it possible to deliver continued innovations such as more HD and On Demand choices, converged services, faster Internet speeds and new services consumers want and value. Here are just a few highlights:

We now offer over 60,000 On Demand TV shows and hit movies on TV and online—many of them free! On Demand allows customers to catch up and keep up with their favorite shows from all the top networks and enjoy new movies, many the same day as DVD and a month before Netflix. Customers can watch On Demand from their TV or online, anytime, anywhere—even from their iPad or iPhone!

We now offer the best online experience with the fastest Internet speeds and the most comprehensive security. Customers can experience download speeds up to an incredible 105 Mbps, and now 25% faster on our most popular Internet tiers. XFINITY is reliably fast delivering over 100% of its advertised download and upload speeds—even during the peak hours for Internet use.* And customers receive comprehensive online protection with Constant Guard, including Norton Security, at no extra charge.

And with the Comcast Customer Guarantee, we promise to provide our customers a consistently superior experience, including 24/7 customer service and on time appointments—or we'll credit them \$20 or give them a free premium channel for three months. The Customer Guarantee lets customers know what they can and should expect from Comcast - and what we're doing to hold ourselves accountable every day.

While we continue to make these investments, we periodically need to adjust prices due to increases in programming and other business costs. Starting January 22, 2012, new prices will apply to certain video services, equipment and other charges as indicated in this notice. For customers currently receiving services on a promotional basis, under a minimum term agreement associated with a specific rate, or in the guaranteed period of one of our SurePrice™ plans, the prices for those specific services will not be affected during the applicable promotion, minimum term or SurePrice™ period.

As always, if you should have any questions or concerns regarding this matter, or any matter, please feel free to contact me at 978-825-2212.

Sincerely,

Timothy Kelly
