Correspondence: None

Eagle Scout Project; A discussion was held on various Eagle Scout Projects. Roger mentioned a pergola as a possible project. Scout Master from Pepperell was not sure if this was a good type of project due to the responsibility.

Post back of Common: This still remains a problem and looking for various ways to fix. Some type of plug or large planter. Would need to be removable to allow vehicles to load/unload on the Common. As well as vehicle access for the department and emergency vehicles.

Gazebo Repairs: Pulling ceiling down may present problems with the insulation. Repairs would need to be done without compromising the ceiling.

DLR Report: Report did not answer many questions or concerns. It does not appear that the report has supporting documentation/information for creating a DPW. Many questions still left unanswered.

DPW Exploratory Meeting: A joint meeting between departments will be held on 04/06/16 at the Kimball House getting input from the commissioners and department about the DLR report and DPW.

Adams Dam: Tabled to a later meeting

Adjourned: 8:20

Next Meeting 4/11/16.
