Town Administrator

April 10, 2020

Dear Citizens of Townsend:

Sadly, when there is a crisis there are people who will try to take advantage of the situation. For information on the types of COVID-19 scams we are seeing according to the AARP please click [HERE](#). **(It's a safe click!)**

Any scams related that you encounter related to COVID-19 should be reported to the National Center for Disaster Fraud Hotline. For more information on COVID-19 scams and to make a report please click [HERE](#). **(It's a safe click!)**

The simple rule of thumb is to remember if something seems too good to be true...it likely is!

Stay safe and stay smart,

Jim Kreidler
